## myspace safety for parents & educators

### WELCOME / MYSPACE BASICS

MySpace is the premier lifestyle portal for connecting with friends, discovering popular culture, and making a positive impact on the world. MySpace users find old friends and family members, plan their social lives, discover new music, promote charities and civic causes, and express themselves creatively on their MySpace pages. MySpace is a new mechanism of communication and self expression for the Internet generation.

Find out more by clicking on the topics listed on the left.

### Why Teens Are on MySpace

Millions of people have created personal profiles on MySpace, but it is an activity that has resonated especially with adolescents. In fact, 61% of teenagers have a personal profile on a social networking site. Teens 13 and older use MySpace to connect with
