### It's Not You, It's Us: Current Bugs

If something suddenly stops working, that's a bug. Please use the *Contact Myspace* form (on the right) to let us know (**read this** for info on how to report a bug). Check below for current issues.

**Change from Lite view to Full view link missing for new profiles:**  
Lite view is not currently available. We hope to bring it back soon, so keep checking back. Read **more** about switching from Lite to Full view. Posted 1-1-11.  
Read about **resolved and ongoing** bugs.

**The following slides  
will allow you to lock up MySpace**

GO TO THE MYSPACE HOME PAGE WWW.MYSPACE.COM

The screenshot shows the Myspace homepage interface. At the top, there is a navigation bar with the Myspace logo, a search bar, and various menu items like 'Discover', 'My Stuff', 'Home', 'Profile', 'Mail', 'Friends', 'Photos', 'Music', 'Video', 'Games', 'Topics', 'Threads', 'More', 'Help', and 'Sign Out'. Below this is a large yellow banner for the TV series 'skins', featuring the text 'NEW SERIES TONIGHT 10/9c' and social media icons. The main content area is divided into several sections: a large number '3,842,980' indicating shared content, a '#1 R&B ARTIST' section with a woman's image, a '#1 ROCK SONG' section with a 'BRIT MANS' album cover, and a '#1 RAP VIDEO' section. A sidebar on the right shows a user profile for 'Z' with statistics like '0 Friends Online', '57 Unread Messages', and '0 Upcoming Birthdays'. A 'Privacy' dropdown menu is open, showing options for 'Privacy Settings', 'Privacy Policy', and 'Learn more'. A red arrow points to the 'Privacy Settings' option.
