

# LET'S HEAR ABOUT YOUR IDEA!

## IDENTIFIED NEED

What is the community need/issue that is being solved?

## COMMUNITY PARTNER(S)

Who is the audience that is benefiting from the Service?

## COMMUNITY EXPERTS

Who are the experts in the community that can help us?

## STUDENT OWNERSHIP

What decisions will students make about the project?

How will students make personal connections to the project and feel that their efforts matter?

## ACADEMIC INTEGRITY

What are the curriculum objectives that could be met through this project?

### TASK:

- Brainstorm with group as many service learning projects ideas as possible.
- Pick one idea and answer the questions in the above circle.
- Each group will have 3 minutes to share their project and 2 minutes for questions, suggestions, and feedback.
