

THE GREAT BODY SHOP

Integrating The Common Core for English, Language Arts and Literacy Into Elementary Health Ed.

Presented by...
The Children's Health Market

Objectives

1. Explore the organization for CC ELA
2. Identify how a "logging" strategy can be applied to elementary health education lessons
3. Understand how THE GREAT BODY SHOP facilitates the integration of the CC ELA within elementary health education

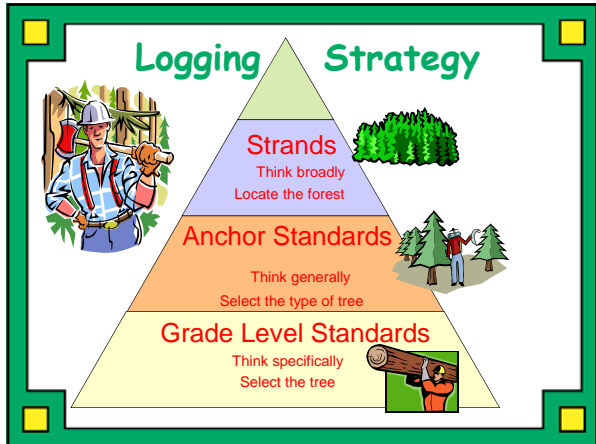

Organization

Strands:
1. Reading
2. Foundational Skills
3. Speaking/Listening
4. Language 5. Writing

Anchor Standards:
Handout

Grade Level Standards:
www.corestandards.org

Logging Strategy...

1. Select health resource
2. Identify health lesson objectives
3. Identify natural links for *strands* (forest)
4. Zero in on relevant *anchor standards* (type of trees)
5. Purposely choose meaningful *grade level standards* (individual tree)

Applying The Strategy

- 1. Select resource:**

THE GREAT BODY SHOP
Grade 5: My Crazy Mixed Up Emotions
- 2. Identify health objectives:**
 - (K) Describe human emotions and their effect on the body
 - (V) Build respect for the power of emotions to influence health
 - (LS) Express emotions appropriately
 - (TS) Predict the consequences of emotions on health

Applying The Strategy

3. Identify natural links for strands

- Reading
- Writing
- Foundational Skills
- Speaking/ Listening
- Language

4. Zero in on relevant anchor standards

Identify relevant anchor standards for each strand

5. Purposely choose meaningful grade level standards

Based on student need

Example

My Crazy Mixed Up Emotions

Lesson 1: Which natural strands do you see?

Which relevant anchor standards do you see?

Which grade level standards could you target?

Example
