

Are you looking for a flexible, inexpensive form of professional development?

Try Our Webinars!

I loved the webinars! The ability to chat during them as well as interact with other participants was beyond what I had expected. I look forward to attending future webinars!

What is a Webinar?

Our cutting-edge, hour-long, webinars focus on updates and highlight emerging trends and research. Using our web-based platform, you'll be connected with other professionals from across the country for engaging and interactive presentations.

How Do I Register?

There are three ways to register: Use the attached registration form; visit our Web site at answer.rutgers.edu/page/webinars; or call us at 732-445-7929.

“What if I am Interested in a Webinar, but Missed or Can't Attend?”

All our webinars are recorded and can be purchased at any time by ordering a CD. You can order a copy of the CD by using the same methods you would to register. To see a list of past webinars for purchase visit <http://answer.rutgers.edu/page/recording/>.
