8. Your DATE won't talk about sex, protection or their thoughts about a relationship.

1. You're a SUCKER! You fell for the oldest trick in the book. Keep your fingers crossed that you or your partner are not pregnant or do not contract and STI/STD.

2. A thick milky discharge was your first sign that you have an STI/STD!

3. You have a RED HOT STI/STD! Your first symptom was burning when you go to the bathroom.

7. Everyone is SNICKERING at you. You were so drunk you are not sure if you used protection, and not sure if there will be a pregnancy or an infection.....

5. You feel like a real "Dum Dum" because you didn't protect yourself or make good decisions in this relationship. You'll be more careful in the future.

4. Congratulations! You get a HUNDRED GRAND for abstaining or using effective protection. Nothing will stand in the way of your goals!

10. You are in a real CRUNCH because your date is under-age and the pict they sent means you could be prosecuted. You are worried about legal implications.

6. Congratulations! You get a HUNDRED GRAND for abstaining or using effective protection. Nothing will stand in the way of your goals!

9. Someone was a Butterfinger!
When using the condom it was put on wrong, and it broke! It is good you used a condom, but using it correctly is important! Maybe a visit to the clinic???

8. Well...lack of planning means you need to visit the clinic for STI/STD tests and could there be a pregnancy? Getting drunk wasn't such a great idea, eh?
