## Dice it up

Number off 1-4, 1 person rolls dice and names a quick exercise to do, everyone does it , next number 2 goes and names a different exercise...your task is to try to roll each number(1-6) before time is up. So all numbers on the dice have to be rolled 1,2,3,4,5,6.(This also requires a bit of luck.) The faster you roll and do the required movement the more chance you have to succeed in getting 1-6 rolled on the die.
